WHAT WE PROVIDE

Secure online platform

A fast, secure platform for businesses to collect patron information per city Covid-19 guidelines.

Custom landing page

QR Code directs guests to your branded landing page where they enter contact information.

Communication management

If a COVID-19 case is detected in your business, we provide health authorities with the list of customers that might have been exposed.

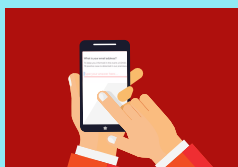

Small business kit

A toolkit that has it all to show customers you care: POS materials, social media posts and more.
